

Circle of Giving is a recognition society honoring donors who have notified THE ASSOCIATED that they have given to the Annual Campaign for 25 consecutive years or more. What makes Circle members special is not the amount of their gift, but the strength of their loyalty and the longevity of their commitment. As of October 7, 2008 more than 2,000 community members have informed us that they have achieved this milestone. **Listings in bold represent those who have given for 50 years or more.**
